

Edgewater Capital Partners is a private equity firm unlike any other. Our three foundational pillars:

Deep Sector Experience, Midwestern Values, and a Growth Enabling Philosophy,

are only the beginning of a successful partnership. At Edgewater, the investment is just the starting point.

Deep Sector Experience

Specialty Industrials

Life Science

Advanced Materials

Specialty Chemicals

Characteristics of an Edgewater Company

- ✔ **High Cost of Failure**
 Products or services contributing a small but critical element of an end product or system.
- ✔ **High Unit Economics**
 Lower overall cost, but delivering high value to an end product or system.
- ✔ **Technical Selling Process**
 Requires comprehensive understanding of the role and value of critical components.
- ✔ **Solution Providers**
 Enhance the overall customer experience by overcoming technical challenges.
